

JFK ASSASSINATION INFORMATION CENTER

July 03, 1990

Dear Mr. [REDACTED]:

In regard to our telephone conversation concerning the John F. Kennedy assassination I am sending you an overview of what really happened that fateful day nearly 27 years ago. Through the efforts of The JFK Assassination Information Center and 25 years of research, investigations, and pure good luck we have uncovered the real truth behind the murder of John F. Kennedy. The JFK Center has spent over 5000 man hours verifying this story. Everything contained in the overview is heavily documented with original photographs, weapons, documents, and eyewitness accounts. The people involved in this story are willing to come forward and testify. I am sending you this information only for the purpose of setting up a meeting with Oliver Stone and his people.

The BBC has already contacted us about doing our story. I personally would like the story produced in America where it happened, just as we have solved the case in Dallas where it happened. I would prefer that the British not show the rest of the world what happened to the American people on November 22, 1963. It is my hope that Oliver Stone's group is the one that produces the story because of Mr. Stone's record of producing honest and controversial movies such as Platoon and Born on the Fourth of July. I want history set straight for the American people.

JFK Assassination Overview

John F. Kennedy was murdered by the people who controlled the real power base in the United States of America. In their minds he was a threat to "National Security" and had to be eliminated.

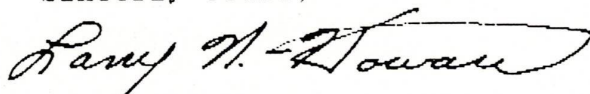

The JFK Center can provide...

1. The name of the gunman who fired from behind the picket fence and who also controlled the assassination.
2. The killer of J.D. Tippit (Dallas Police officer) and the circumstances involving Oak Cliff and the Texas Theater.
3. The code names and locations of the other gunman involved.
4. The roll that Oswald played in the assassination.
5. The name of the man who faked the backyard photos of Oswald.
6. A picture of Oswald and the Assassin together.

7. ~~The actual rifle that fired the fatal head shot.~~
8. ~~A picture of the Assassin's wife and Jack Ruby together.~~
9. ~~The orders to proceed with the assassination and who the orders were from.~~
10. The identity of the man that was impersonating Oswald in Mexico City.
11. Explain Jack Ruby's role in the assassination.
12. Reveal the role of the Dallas Police in the assassination.
13. Document how the F.B.I. has tried to stop this information from getting out.
14. ~~Tell the location of the Safe house.~~ *Dropping Springs, Tx.*
15. ~~Tell where the training of the hit team took place.~~ *Van Horn, Tx.*
16. Name the person who eliminated key witnesses in the assassination.
17. Reveal a letter to the Assassin telling him of a job well done from a former President of the United States.

There is much more to this story, the way we were told this information is as intriguing as the assassination story itself. Until we meet, this letter is for your and Mr. Stone's eyes only.

Sincerely Yours,

Larry N. Howard
